

Honeywell Aqua PUMP (s)

Honeywell

Three - 3 speed circulatory pumps

Small - PC3F1558IUF00
Medium - PC3F2699IUF00
Large - PC3F4344IUF00

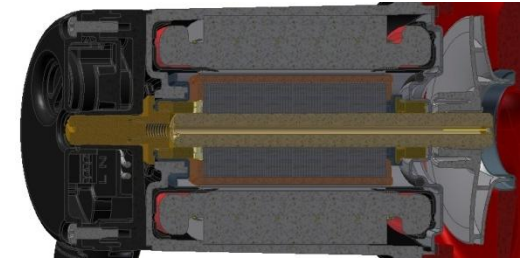

The start of a family

Key Contractor Needs Identified in VOC

Honeywell

- **Minimize stock** with products that cover a broad range of applications
- **Universal design** to fit more jobs
- **Reliable performance** to reduce call backs and improve system efficiency
- **Save time** during installation and chasing correct pump models
- **Fewer brands** in the boiler room (single-brand system approach)

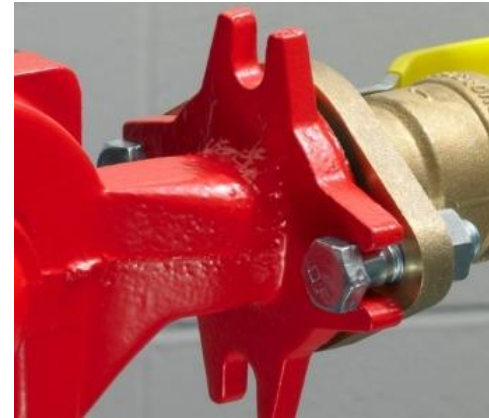

Honeywell

Meeting Contractor Needs

Honeywell

Universal flange

- Honeywell pumps can be rotated 90 degrees to ensure there is room for the housing in every installation
 - ◆ *Minimize stock*
 - ◆ *Universal design*
 - ◆ *Save Time*

3- speed versatility

- Each Honeywell pump has 3 speed settings to maximize efficiency of the system and ensure sufficient flow rates with a single pump
 - ◆ *Minimize stock*
 - ◆ *Universal design*
 - ◆ *Save Time*

Best of the Best

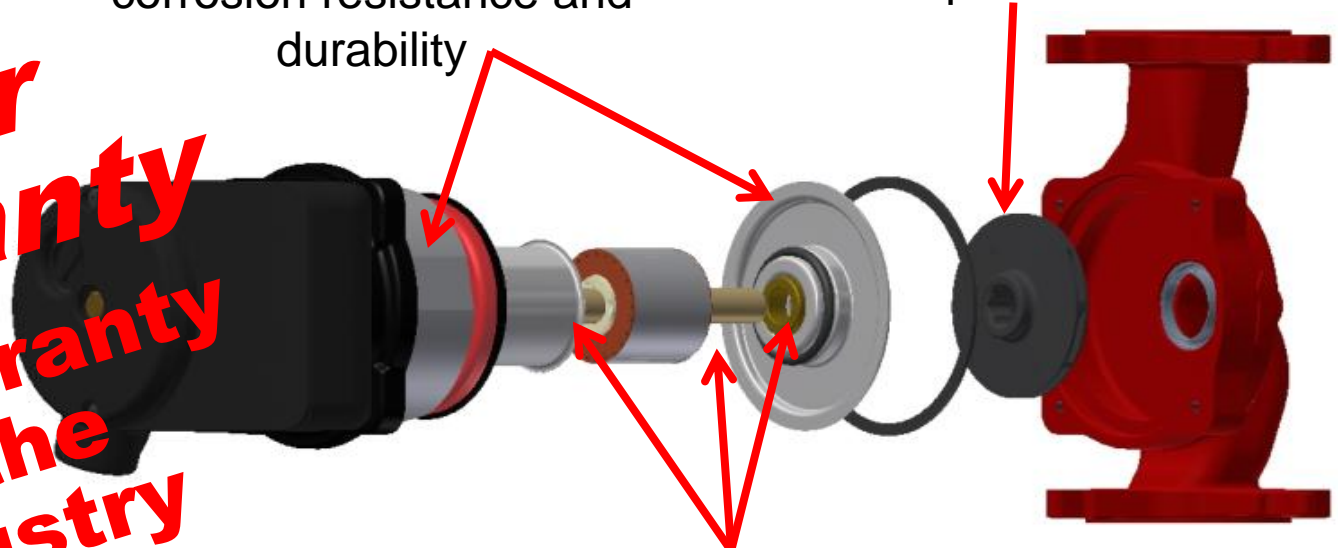

Meeting Contractor Needs

Honeywell

**5 year
Warranty
Best warranty
in the
industry**

Stainless Steel bearing plate and motor cap for corrosion resistance and durability
